Welcome to Anthropic! Before you access our services, please read these User Terms of Service.

These Terms of Service ("**Terms**") and our [Usage Policy](#) (also referred to as our "Acceptable Use Policy" or "AUP") set out the agreement between you and Anthropic Ireland, Limited ("**Anthropic**") to use Claude.ai, Claude Pro, and other products and services that we may offer for individuals, along with any associated apps, software, and websites (together, our "**Services**"). Please take some time to read over them and understand them. By agreeing to these Terms, or in the absence of such agreement, by using the Services, you agree to be bound by them, including any changes made to them in accordance with the Terms. Our affiliates, licensors, distributors, and service providers (collectively "**Providers**") are not contracting parties under these Terms.

These Terms apply to you if you are a consumer who is resident in the European Economic Area or Switzerland. You are a consumer if you are acting wholly or mainly outside your trade, business, craft or profession in using our Services.

In these Terms, when we refer to "we", "us" or "our," or similar, we mean Anthropic. Other words in **bold** and **italics** are defined in the Glossary. Words in **bold** and **italics** in them where the word or phrase is **bold** and **italics** have the same meaning.

Please read our [Privacy Policy](#), which describes how we collect and use your information.

Please note: Our [Commercial Terms of Service](#) apply to users who use an Anthropic API key, the [Anthropic](#) that reference the Commercial Terms of Service. These Terms of Service do not include Claude.ai or Claude Pro or

1. Who we are.

Anthropic is an AI safety and research company working to build reliable, interpretable, and steerable AI systems. We conduct frontier research, develop and apply a variety of safety techniques, and deploy the resulting systems via a set of partnerships and products.

2. Account creation and access.

Minimum age. You must be at least 18 years old to use the Services.

Your Anthropic Account. To access our Services, we may ask you to create an account (your “**Account**”), to provide certain information (such as your email address), and to create a password. You agree to provide correct, current, and complete information and allow us to use it to communicate with you about our Services. You agree to notify us promptly if there are any changes to the information you have provided to us. Our communications to you using such information will satisfy any requirements for legal notices.

You may not share your Account login information, Anthropic API key, or Account credentials with anyone else or make your Account available to anyone else. You are responsible for all activity occurring under your Account and agree to notify us immediately if you become aware of any unauthorized access to your Account by sending an email to support@anthropic.com.

You may close your Account at any time by contacting us at support@anthropic.com.

Business Domains. If you use an email address owned by your employer or another organization, your Account may be linked to the organization’s enterprise account with us and the organization’s administrator may be able to monitor and control the Account, including having access to Materials (defined below). We will provide notice to you before linking your Account to an organization's enterprise account. However, if the organization is responsible for notifying you or has already informed you that it may monitor and control your Account, we may not provide additional notice.

Evaluation and Additional Services. We may use your Account to evaluate our Services for a limited period of time. We may also offer you additional Services for evaluation purposes and you may be required to accept additional terms for those Services.

You may need to accept additional terms for those Services. Those additional terms will supplement our Terms of Service and may modify your rights or obligations for those Services, including any associated fees.

3. Use of our Services.

You may access and use our Services only in compliance with our Terms, including our [Acceptable Use Policy](#), the policy governing [the countries and regions Anthropic currently supports](#) (“Supported Regions Policy”), and any guidelines or supplemental terms we may post on the Services (the “**Permitted Use**”). You are responsible for all activity under the account through which you access the Services.

You may not access or use, or help another person to access or use, our Services in the following ways:

1. In any manner that violates any applicable law or regulation—including, without limitation, any laws about exporting data or software to and from any countries in the European Economic Area, Switzerland, or other countries.
2. To develop any products or services that compete with our Services, including to develop or train any artificial intelligence or machine learning algorithms or models or resell the Services.
3. To decompile, reverse engineer, disassemble, or otherwise reduce our Services to human-readable form, except when these restrictions are prohibited by applicable law.
4. To crawl, scrape, or otherwise harvest data or information from our Services other than as permitted under these Terms.
5. To use our Services, the Materials, or the Actions to obtain unauthorized access to any system or information or to deceive any person.
6. To infringe, misappropriate, or violate intellectual property or other legal rights (including the rights of publicity or privacy).
7. Except when you are accessing our Services via an Anthropic API Key or where we otherwise explicitly permit it, to access the Services through automated or non-human means, whether through a bot, script, or otherwise.
8. To engage in any other conduct that restricts or inhibits any person from using or enjoying our Services, or that we reasonably consider exposes us—or any of our users, affiliates, or any other— to legal liability or other harm or detriment of any type, including reputational harm.
9. To rely upon the Services, the Materials, or the Actions to provide or receive advice or other financial products or services, or to act as a registered investment adviser under any other jurisdiction.”

You also must not abuse, harm, interfere with, or attempt to circumvent, for example, introducing viruses or other malware, or attempting to bypassing any of our systems or policies.

4. Inputs, Outputs, Actions, and Materials.

Generally. You may be allowed to interact with our Services in a variety of formats (we call these “**Inputs**”). Our Services may generate responses (we call these “**Outputs**”) or enable the Services to take actions on your behalf, such as software manipulation, data processing, and system interactions (we call these “**Actions**”), based on your Inputs. Inputs and Outputs collectively are “**Materials**.”

Rights and Responsibilities. You are responsible for all Inputs you submit to our Services and all Actions. You must ensure that you have all rights, licenses, and permissions that are necessary for us to process such Inputs in accordance with our Terms and to provide the Services to you, including for example, to integrate with third-party services, to share Materials with others at your direction, and to take Actions. You must ensure that your submission of Inputs to us, your sharing them with others, or directing Claude to take Actions will not violate our Terms, our [Acceptable Use Policy](#), or any laws or regulations applicable to those Inputs. As between you and Anthropic, and to the extent permitted by applicable law, you retain any right, title, and interest that you have in such Inputs. Subject to your compliance with our Terms, we assign to you all our right, title, and interest (if any) in Outputs.

Reliance on Outputs and Actions. Artificial intelligence and large language models are frontier technologies that are still improving in accuracy, reliability and safety. When you use our Services, you acknowledge and agree:

1. Outputs may not always be accurate and may contain material inaccuracies even if they appear accurate because of their level of detail or specificity.
2. Actions may not be error free or operate as you intended.
3. You should not rely on any Outputs or Actions without independently confirming their accuracy.
4. The Services and any Outputs may not reflect correct, current, or complete information.
5. Outputs may contain content that is harmful, abusive, harassing, or otherwise violates our Terms.

Our use of Materials. We may use your Materials to provide the Services and to develop other products or services, including AI models, unless you opt out of training models. If you do not opt out, we will use Materials for model training. We may also use your Materials to us regarding any Materials, or (2) to improve our ability to detect harmful content for our safety research.

Limitations. Different types of Service (including paid-for Services under a Subscription) may have technical restrictions associated with them, for example, the number of Inputs you may submit to the Service or the number of Outputs you may receive within a certain period of time (“**Technical Limitation**”). For more information about the Technical Limitations for each type of Service offering, see the relevant purchase page on our website.

5. Feedback

We appreciate feedback, including ideas and suggestions for improvement or rating an Output in response to an Input (“**Feedback**”). If you rate an Output in response to an Input—for example, by using the thumbs up/thumbs down icon—we will store the related conversation as part of your Feedback. You have no obligation to give us Feedback, but if you do, you agree that we may use the Feedback however we choose without any obligation or other payment to you.

6. Subscriptions, fees and payment.

Fees and billing. You may be required to pay fees to access or use our Services or certain features of our Services. You are responsible for paying any applicable fees listed on the Services. The fees applicable to our Services (including information on how we calculate our fees) are set out on the [Model Pricing Page](#) unless otherwise communicated to you by Anthropic in writing.

If you purchase access to our Services or features of our Services from us, you must provide complete and accurate billing information (“**Payment Method**”). You confirm that the card or bank account which is being used as your Payment Method is yours, or that you have the authorization of the account holder to use it. If you use a Payment Method which you are not authorized to use, you will be liable to us for any losses that we suffer as a result of your use of that Payment Method.

You agree that we may charge the Payment Method for any applicable fees listed on our Services and any applicable tax. If the fees for these Services or features are specified to be recurring or based on usage (as set out in the [Model Pricing Page](#) below)), you agree that we may charge the Payment Method on a periodic basis.

If you access our Services or purchase our Services through an App Store distributor (“**App Distributor**”) (e.g., the App Store or Google Play), then all payments to the App Distributor, and the App Store or Google Play, and the App Store or Google Play methods, billing and refunds will be handled by the App Distributor.

Except as expressly provided in the applicable Terms of Service, all payments are non-refundable. Please

confirming it, and see below for additional information about recurring charges for our subscriptions.

You agree that we will not be held liable for any errors caused by third-party payment processors used to process fees paid by you to us.

Subscriptions. To access Claude Pro and other subscription services we may make available to individuals, you must sign up for a subscription with us (a “**Subscription**”), first by creating an Account and then following the subscription procedure on our Services. When you sign up for a Subscription, you agree to these Terms.

a. Subscription order. Your order for a Subscription constitutes an offer by you to enter into a Subscription with us. We will confirm our acceptance of your order by sending you a confirmation email (the “**Confirmation Email**”). Sometimes we reject orders, for example, if you are located in a country where we do not offer the Service or the Service was mispriced by us. A contract for the Subscription, which is on the basis of these Terms, will become legally binding on you and us when we send you the Confirmation Email. For clarity, each Subscription will incorporate these Terms.

b. Subscription content, features, and services. The content, features, and other services provided as part of your Subscription, and the duration of your Subscription, will be described in the order process. We may change or refresh the content, features, and other services from time to time, and we do not guarantee that any particular piece of content, feature, or other service will always be available through the Services.

c. Subscription term and automatic renewal. If your Subscription has a minimum term (the “**Initial Term**”), we will let you know during the order process. Your Subscription will last for the Initial Term and will automatically renew for an additional term equal in duration to the Initial Term and will continue to renew and incur charges for additional terms equal in duration to the Initial Term (each such additional term a “**Renewal Term**”). For example, if you subscribe on January 25th for a Subscription with an Initial Term of 1 month, the Initial Term is January 25th to February 24th, and the first Renewal Term will run from the 25th of one month to the 24th of the next month (inclusive).

d. Subscription fees. You will pay the fees for the Initial Term and each subsequent Renewal Term. If we change the fees for the current Initial Term or Renewal Term, we will not make any change to the fees for the current Initial Term or Renewal Term.

in an increase in the fees payable by you, we will inform you at least 30 days in advance of the change and you shall be deemed to have agreed to the increase in fees payable by you unless you cancel the Subscription, as described in Sections (e) and (g) below, before the Renewal Term to which the increase in fees will apply.

e. Subscription cancellation. If you subscribed via our website, you may cancel your Subscription at any time by using a method we may provide to you through our products (for example, for Claude Pro, in your customer portal) or by notifying us at support@anthropic.com. If you subscribed via an app, you will need to cancel via the distributor according to the App Distributor terms. Learn more [here](#). To avoid renewal and charges for the next Renewal Term, cancel your subscription at least 24 hours before the last day of the Initial Term or any Renewal Term. In the example above, if you subscribe on January 25th for a Subscription that renews with a one-month Initial Term, you must cancel the Subscription per the instructions by February 23rd (24 hours before February 24th) to avoid renewal and charges for the next Renewal Term. In the event of a cancellation, your fees will not be refunded, but your access to the Services will continue through the end of the Initial Term or any Renewal Term for which you previously paid fees.

f. Additional cancellation rights. You have a legal right to change your mind and cancel the Subscription within 14 days of entering into the Subscription without giving a reason.

1. To exercise the right to cancel in the 14-day cancellation period, you must inform us of your decision to cancel the Subscription by making a clear statement to us of such decision before the cancellation period has expired. The easiest way to do this is by cancelling your subscription in the customer portal, or you may contact us at support@anthropic.com. You may also use the model cancellation form in Appendix 1 of these Terms, but it is not obligatory. For further details on how to cancel, please see support.anthropic.com. We will acknowledge your cancellation, e.g., through our online customer portal or console.
2. If you cancel the Subscription within the 14-day cancellation period, we will refund any payments received from you for the Subscription, less any amounts we have been reimbursed by third parties. If you cancel the Subscription after the 14-day cancellation period, we will not refund any payments received from you for the Subscription, except in the limited circumstances described below. If you cancel the Subscription within the 14-day cancellation period, we will make the reimbursement up to the amount we have been reimbursed by third parties for the initial transaction; you will not be entitled to a refund of the reimbursement. If you cancel the Subscription after the 14-day cancellation period, we will not make the reimbursement up to the amount we have been reimbursed by third parties for the initial transaction; you will not be entitled to a refund of the reimbursement.
3. If you would like to use the Services, you may do so. If you have used the Services and wish to cancel the Subscription, you may do so.

process in Section (f)(1) above, but we may retain an amount which is in proportion to what has been provided until you have communicated us your withdrawal from these Terms, in comparison with the full coverage of the Subscription.

4. The 14-day cancellation period will not reset if you change subscription tiers or cancel and then resubscribe, as you have already had an opportunity to test the Services.
5. If you are not paying under a subscription billing model, you do not have a right to a refund of unused tokens.

g. Subscriptions purchased through an App Distributor. Where you have purchased your Subscription through an App Distributor, your right to cancel under Section 6(f) above will be as set out in the App Distributor's terms and Section 6(f) will not apply. The App Distributor's terms will set out how to notify the App Distributor that you want to cancel and how any fees will be refunded.

Additional fees. We may also increase the fees for access to our Services that do not require a Subscription. If we charge additional fees in connection with those Services, we will give you an opportunity to review and accept the additional fees before you are charged. Also, additional fees may apply for additional Services or features of the Services that we may make available. If you do not accept any such additional fees, we may discontinue your access to those Services or features.

7. Third-party services and links

Our Services may use or be used in connection with third-party content ("**Third-Party Content**"), services, or integrations. We do not control or accept responsibility for any loss or damage that may arise from your use of any Third-Party Content, services, and integrations, for which we make no representations or warranties. Your use of any Third-Party Content, services, and integrations is at your own risk and subject to any terms, conditions, or policies (including privacy policies) applicable to such third-party content, services, and integrations.

8. Content Moderation

Third-Party Content is the responsibility of the user who posts it to our Services. Anthropic is under no obligation to moderate Third-Party Content. Third-Party Content may be in violation of our Terms of Materials. If you see any Third-Party Content that violates these Terms, including by violating our Terms of Materials, you can report it to us.

Cookie Settings

We use cookies to deliver and improve our services, analyze site usage, and if you agree, to customize or personalize your experience and market our services to you. You can read our Cookie Policy [here](#).

If we become aware that any Third-Party Content (1) infringes another's copyright or any other intellectual property or related or neighboring right, (2) is in breach of these Terms or our Acceptable Use Policy, or (3) may cause harm to Anthropic, our users, or third parties, we reserve the right to remove or take down some or all of such Third-Party Content using, where appropriate, algorithmic and human review.

You can learn more about our monitoring and enforcement, including how to appeal an account suspension or termination, in our [T&S Support Center](#).

If you posted the Third-Party Content or own it, we will use reasonable efforts to notify you with the reason for our action unless we reasonably believe that to do so: (a) would breach the law or the direction of a legal enforcement authority or would otherwise risk legal liability for Anthropic; (b) would compromise an investigation or the integrity or operation of the Services; or (c) would cause harm to any user, other third party, or Anthropic. You can appeal a takedown of Third-Party Content by responding to the notice you receive from us.

9. Software

We may offer manual or automatic updates to our software including our apps ("**Anthropic Software**"), without advance notice to you. Anthropic Software may include open source software. In the event of any conflict between these Terms and any other Anthropic or third-party terms applicable to any portion of Anthropic Software, such as open-source license terms, such other terms will control as to that portion of the Anthropic Software and to the extent of the conflict.

10. Ownership of the Services

The Services are owned, operated, and provided by us and, where applicable, our **Providers**. We and our Providers retain all our respective rights, title, and interest, including intellectual property rights, in and to the Services. Other than the rights of access and use expressly granted in our Terms, our Terms do not grant you any right, title, or interest in or to the Services.

11. Disclaimer of warranties,

Our team works hard to provide great products and services, and we listen to your feedback on improvements. However, there are no guarantees.

No warranties. You may have legal rights that vary by jurisdiction, but where the Services are not as described or you believe that any of our Services or content violates these Terms, please contact us at [support@anthropic.com](#).

rights, your use of the Services, Materials, and Actions is solely at your own risk. The Services, Outputs, and Actions are provided on an “as is” and “as available” basis and, to the fullest extent permissible under applicable law, are provided without warranties of any kind, whether express, implied, or statutory. We and our Providers expressly disclaim any and all warranties of fitness for a particular purpose, title, merchantability, accuracy, availability, reliability, security, privacy, compatibility, non-infringement, and any warranty implied by course of dealing, course of performance, or trade usage.

No limitation. Nothing in these Terms excludes or limits our liability for:

1. death or personal injury caused by our negligence;
2. fraud or fraudulent misrepresentation; and
3. any matter in respect of which it would be unlawful for us to exclude or restrict our liability. This includes your rights that the Services are of satisfactory quality, fit for purpose and as described.

Foreseeable loss. Except as set out in *No Limitation* above, we and our Providers are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if it was an obvious consequence of our breach or if it was contemplated by you and us at the time that you accessed our Services, or if you have a Subscription, at the time that the agreement between you and us related to your Subscription become binding (i.e., when the confirmation email for that Subscription was issued).

Non-commercial use only. You agree that you will not use our Services for any commercial or business purposes and we and our Providers have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

Your rights. Nothing in these Terms affects your statutory rights and we are under a legal duty to provide you with Services that are in conformity with the terms applying to our Services. Advice about your statutory rights is available from your local Citizens' Information Centre.

Limitation of liability. Except as otherwise stated in these Terms, we and our Providers shall not be liable to you for any loss or damage, whether in contract (including negligence) or otherwise, arising in connection with the Services, to the extent that such loss or damage is not recoverable by you from us under applicable law. We and our Providers shall not be liable to you for any loss or damage, whether in contract (including negligence) or otherwise, arising in connection with the Services, to the extent that such loss or damage is not recoverable by you from us under applicable law.

Beneficiaries. Our Providers may provide Services to you as a beneficiary under this Section 10.

12. Data Switching and Portability

You may write to us in accordance with your legal rights and ask to switch to another service provider or port all your exportable data and digital assets to an on-premise ICT infrastructure (“Switching Request”). You shall provide two months’ written notice for any Switching Request (“Notice Period”). Within one month before the end of the Notice Period you shall notify us, where applicable, of details of the new service provider, the on-premise ICT infrastructure, or your decision to erase your exportable data and digital assets.

We will initiate your Switching Request after the Notice Period and the switching process will be completed within 30 days after the end of the Notice Period (the “Transitional Period”). However, where there is technical unfeasibility, we may notify you within 14 days of the Switching Request of an extension to the Transitional Period which may be up to seven months. You can also extend the Transitional Period once for a reasonable and appropriate period. During the Transitional Period these Terms shall continue to comply and we will:

1. provide you and your authorised representatives with reasonable assistance in the switching process including supporting your exit strategy in relation to the Services;
2. take due care to maintain business continuity and continue providing the Services in accordance with the Terms;
3. provide information on known risks to the continuation of the Services; and
4. ensure a high level of security during the switching process.

These Terms shall automatically terminate upon the successful completion of the switching process or at the end of the Notice Period where you instruct us to erase your exportable data and digital assets upon termination, whichever is sooner. We will notify you of the termination.

Without prejudice to your rights under applicable law: after the end of the Transitional Period, you shall have 30 calendar days to retrieve all exportable data and digital assets (“Retrieval Period”) and from the end of this period we will complete and unless otherwise agreed, we will not be responsible for, and we will erase all exportable data and digital assets from our systems and we will not provide you directly except to the extent that you request, a copy of your data.

13. General terms

Changes to Services. Our Service sometimes add or remove features or new Services, or stop offering old

the Services or your access to the Services. Where those actions will materially impact your use of the Services, we will endeavor to notify you in accordance with this section. This includes taking such action as we consider appropriate to address any security, performance or trust and safety issue.

Where feasible, we will provide you with at least 30 days' advance notice of any such changes to the Services that would materially limit or reduce the features, availability or functionality of the Services. However, there may be urgent situations (such as preventing abuse, responding to legal requirements, or addressing security and operability issues) where providing advance notice is not feasible.

If you do not wish to continue using the Services following material changes to the Services, please cancel your Account (or the Subscription purchased via our website, if applicable) by notifying us at support@anthropic.com and we will refund you a portion of the fees paid by you that are for the portion of your Subscription purchased via our website remaining after termination of your Subscription occurs. Any refunds for Subscriptions purchased via an App Distributor are subject to the App Distributor's terms and not these Terms.

Changes to these Terms. We may revise and update these Terms. For example, we may update these Terms (1) to reflect changes in our Services, like when we add or remove features or services, or update our pricing, (2) for security or legal reasons, or (3) to promote safety or prevent abuse. We will notify you of changes to the Terms which are reasonably likely to affect your use of the Services or legal rights. These changes will come into effect no less than 30 days from when we notify you, unless the change is due to a change in law or for security reasons (in which case we may need to change the Terms on shorter notice).

If you do not wish to continue using our Services following any changes to the Terms you can terminate these Terms (or a Subscription purchased via our website) by notifying us at support@anthropic.com, before the changes take effect. If you exercise this termination right, we will refund to you a portion of the fees paid by you that are for the portion of your Subscription purchased via our website remaining after termination of your Subscription occurs. Any refunds for Subscriptions purchased via an App Distributor are subject to the App Distributor's terms and not these Terms.

Supplemental Terms. We may also update these Terms to include Supplemental Terms for new Services or features that we believe are necessary. If you decide to use those new Services, you agree to the applicable guidelines, rules, or supplemental terms. We may update these Services from time to time ("Supplemental Terms").

Supplemental Terms, the Supplemental Terms will govern for the applicable Service.

Termination. You may stop accessing the Services at any time. We may suspend or terminate your access to the Services at any time without notice to you if:

1. we believe that you have materially breached these Terms;
2. we must do so in order to comply with applicable law; or
3. immediate suspension or termination is necessary for security reasons and therefore we cannot provide notice.

We may also terminate your Account if you have been inactive for over a year and you do not have a paid Account. If we decide to terminate your Account due to inactivity, we will give you advance notice before doing this.

If we terminate your access to the Services due to a material breach of these Terms and you have a Subscription:

1. you will not be entitled to any refund; and
2. we may take further legal action against you and you may be responsible for our losses in relation to the violation of these Terms.

If you have a Subscription, we may terminate the Subscription at any time by giving you at least 30 days' notice in writing (email is sufficient). If we exercise this right, we will refund you on a pro rata basis the fees paid by you for the remaining portion of your Subscription after termination.

Upon termination of these Terms, a Subscription, or your access to the Services, the rights granted to you under our Terms (or any Subscription) to access and use our Services will immediately terminate, and we may at our option delete any Materials or other data associated with your account. Sections 6 (with respect to fees outstanding as of such expiration or termination) and 8 - 11 will survive any expiration or termination of our Terms or a Subscription.

Severability. Each of the sections of these Terms, and if any provision of these Terms is held to be unenforceable or irrelevant by a court of competent jurisdiction or relevant authority decides that any provision of these Terms is unenforceable or irrelevant, the remaining sections will remain in full force and effect.

No waiver. If we fail to insist that you comply with these Terms, or if we do not enforce a provision of these Terms, or if we do not enforce a provision of these Terms so, that will not mean that we have waived our right to enforce these Terms, nor will it mean that you do not have to comply with these Terms. If we do so by you, we will only do so in writing. We will not automatically waive any later default or breach of these Terms.

Cookie Settings

We use cookies to deliver and improve our services, analyze site usage, and if you agree, to customize or personalize your experience and market our services to you. You can read our Cookie Policy [here](#).

No assignment. These Terms may not be transferred or assigned by you without our prior written consent, but may be assigned by us without restriction.

Use of our brand. You may not, without our prior written permission, use our name, logos, or other trademarks in connection with products or services other than the Services, or in any other way that implies our affiliation, endorsement, or sponsorship. To seek permission, please email us at marketing@anthropic.com.

Export Controls. You may not export or provide access to the Services into any U.S. embargoed countries or to anyone on (i) the U.S. Treasury Department's list of Specially Designated Nationals, (ii) any other restricted party lists identified by the Office of Foreign Asset Control, (iii) the U.S. Department of Commerce Denied Persons List or Entity List, or (iv) any other restricted party lists. You agree that you and anyone accessing or using the Services on your behalf, or using your Account credentials, are not such persons or entities and are not located in any such country.

Legal Compliance. We may comply with governmental, court, and law enforcement requests or requirements relating to provision or use of the Services, or to information provided to or collected under our Terms. We reserve the right, at our sole discretion, to report information from or about you, including but not limited to Inputs or Outputs, to law enforcement.

14. In case of disputes

Governing Law and Jurisdiction. These Terms are governed by Irish law. This means that your access to and use of our Services, and any dispute or claim arising out of or in connection therewith (including non-contractual disputes or claims) will be governed by Irish law, and must be brought in a competent court in Ireland. However, if you are a consumer within the European Economic Area or Switzerland, you may also file legal disputes in your local courts, based on your local laws.
